All Metals Processing of Orange County, LLC Is One Of Top Finishing Shops In U.S.

***Products Finishing* magazine names All Metals Processing of Orange County, LLC to the ‘Top Shops’ list**

CINCINNATI, Ohio - All Metals Processing of Orange County, LLC has been named one of the best finishing shops in the U.S., according to an industry benchmarking survey conducted by *Products Finishing* magazine, a trade publication which has covered the industry since 1936.

The magazine conducted an extensive benchmarking survey that analyzed a company in several different areas, including Current Finishing Technology, Finishing Practices and Performances, Business Strategies and Performances, and Training and Human Resources.

Only the top 50 shops were given the honor of being a *Products Finishing* magazine ‘Top Shop’ based on a scoring matrix of those four criteria.

“All Metals Processing of Orange County, LLC has established itself as one of the best finishing operations in the industry,” said Tim Pennington, editor of *Products Finishing* magazine. “The criteria we used was very stringent, and only the finishing shops that excelled in all four areas made the list. All Metals Processing of Orange County, LLC is in rare air when it comes to finishing operations.”

All Metals Processing of Orange County, LLC is located in Stanton, CA and offers Anodizing, Chemical conversion (Chem Film), Plating, NDT, and Paint, Lube, and Coating services.

All Metals Processing’s Reaction

“We are extremely excited to be named one of *Products Finishing* magazine’s ‘Top Shops’,” said Michael Coburn, CEO of All Metals Processing. “Our entire team has worked very hard to differentiate our business and surpass our customers expectations. We want to be the best in the industry, provide our customers with quality parts, and a high level of customer service.”
